Noah na pesin wey dey fear

tell Noah, "I don sey I go kill  
evritin wey dey

"Na only your  
family I go save."

God kon warn Noah sey big wota dey

go make one big boat for your family  
and for plenty animals," God

Noah start work!

Pipol kon dey carri  
Noah dey do yeye  
as hin dey try dey

do di ark.

Noah kon  
dey build. Hin  
also kontinue  
dey tell di  
Pipol about God.  
Nobody wan listen.

A colorful illustration depicting a scene from Noah's Ark. In the center, a large brown wooden structure, presumably the Ark, is shown. Several people of various ages and skin tones are gathered around it, loading supplies. One person in a red shirt is carrying a large sack, while another in a blue shirt holds a smaller bag. A woman in a purple dress is also visible. A large yellow sack is being lowered into the Ark by two men. The background shows a dark sky with a bright light source, possibly the sun or a divine presence, casting rays of light. The overall style is a simple, hand-drawn cartoon.

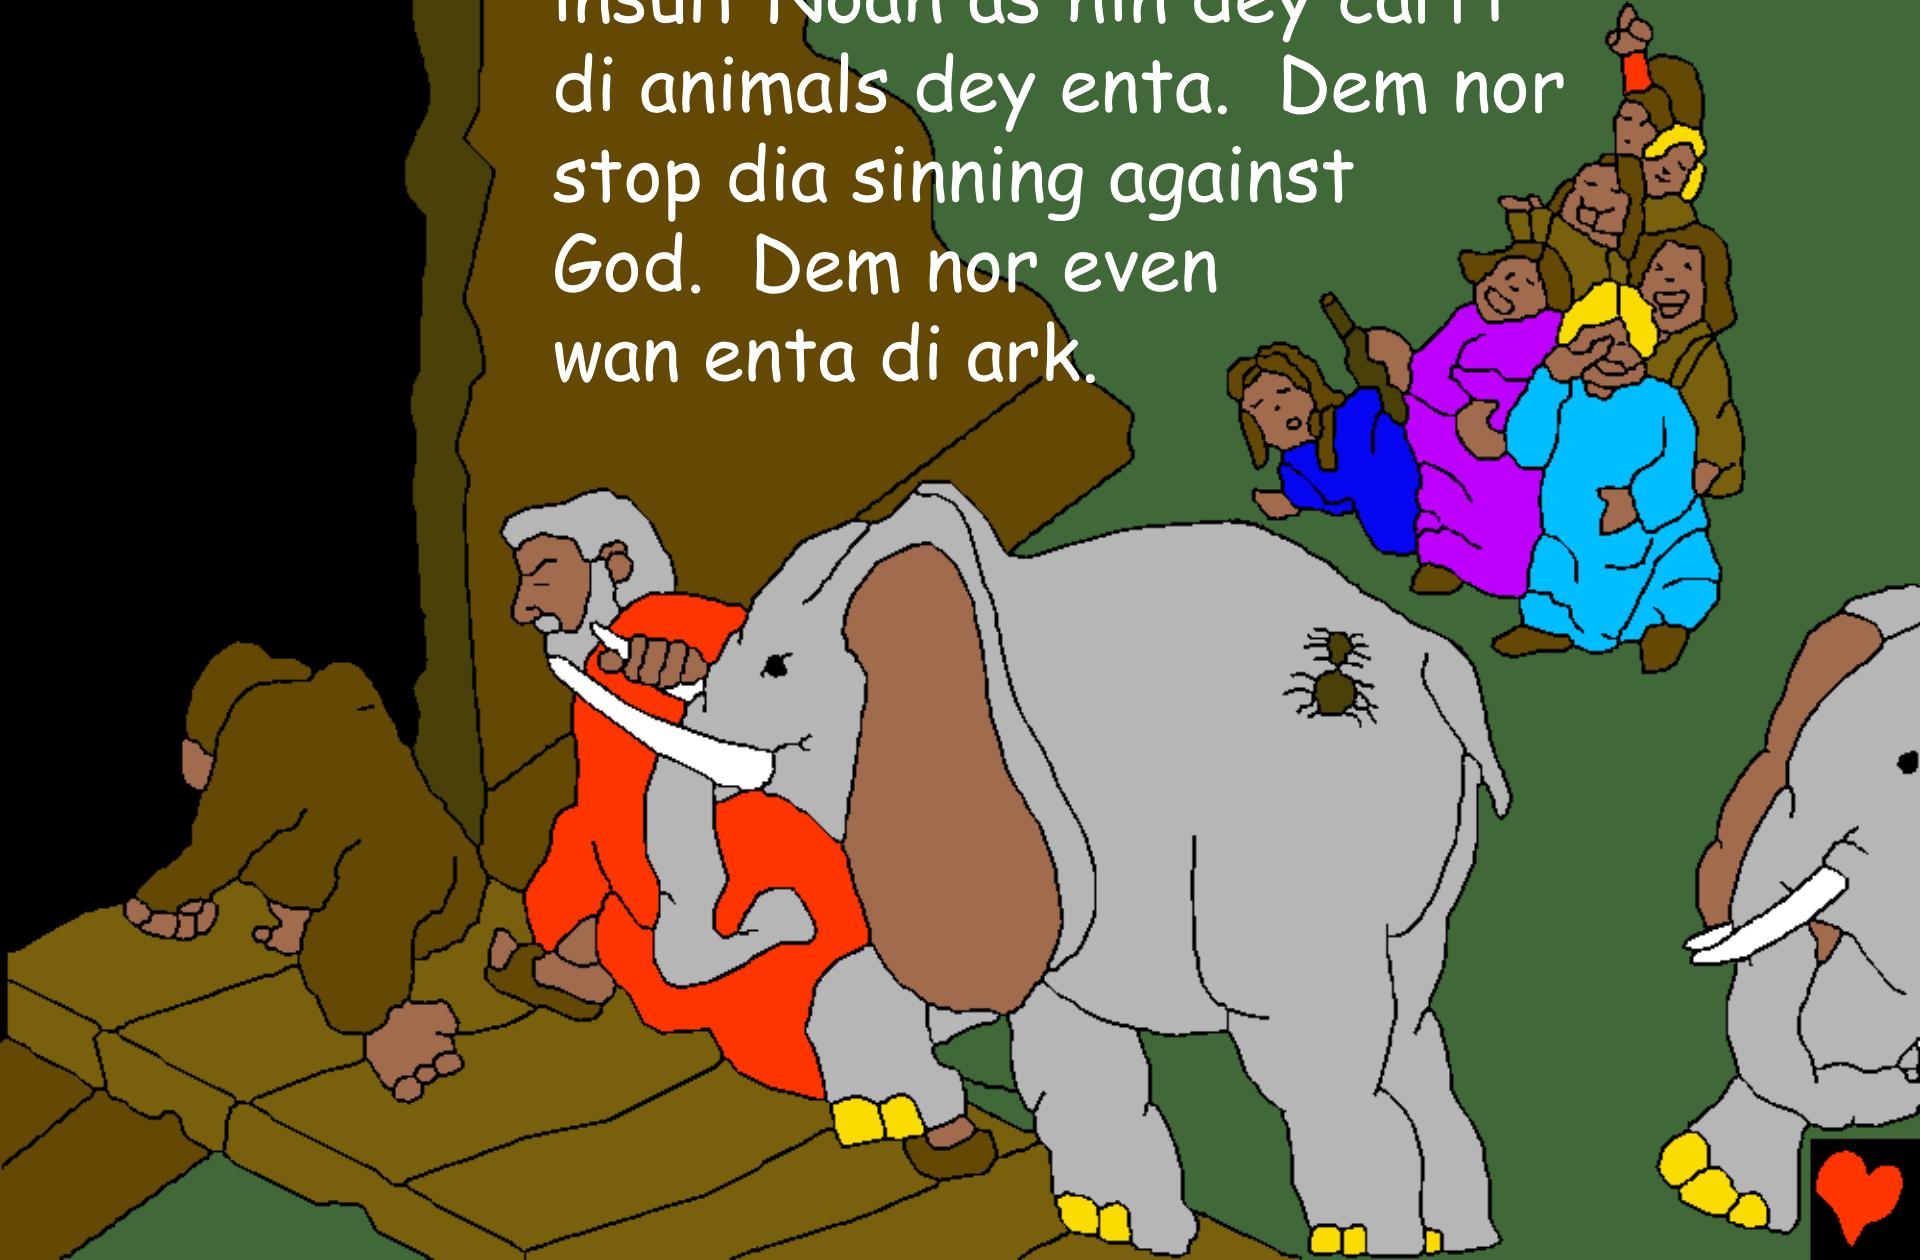

Noah get big faith. Hin  
believe God even though  
sey rain nefu fall bifor.  
Later di ark kon dey  
ready to dey load di  
supply dem.

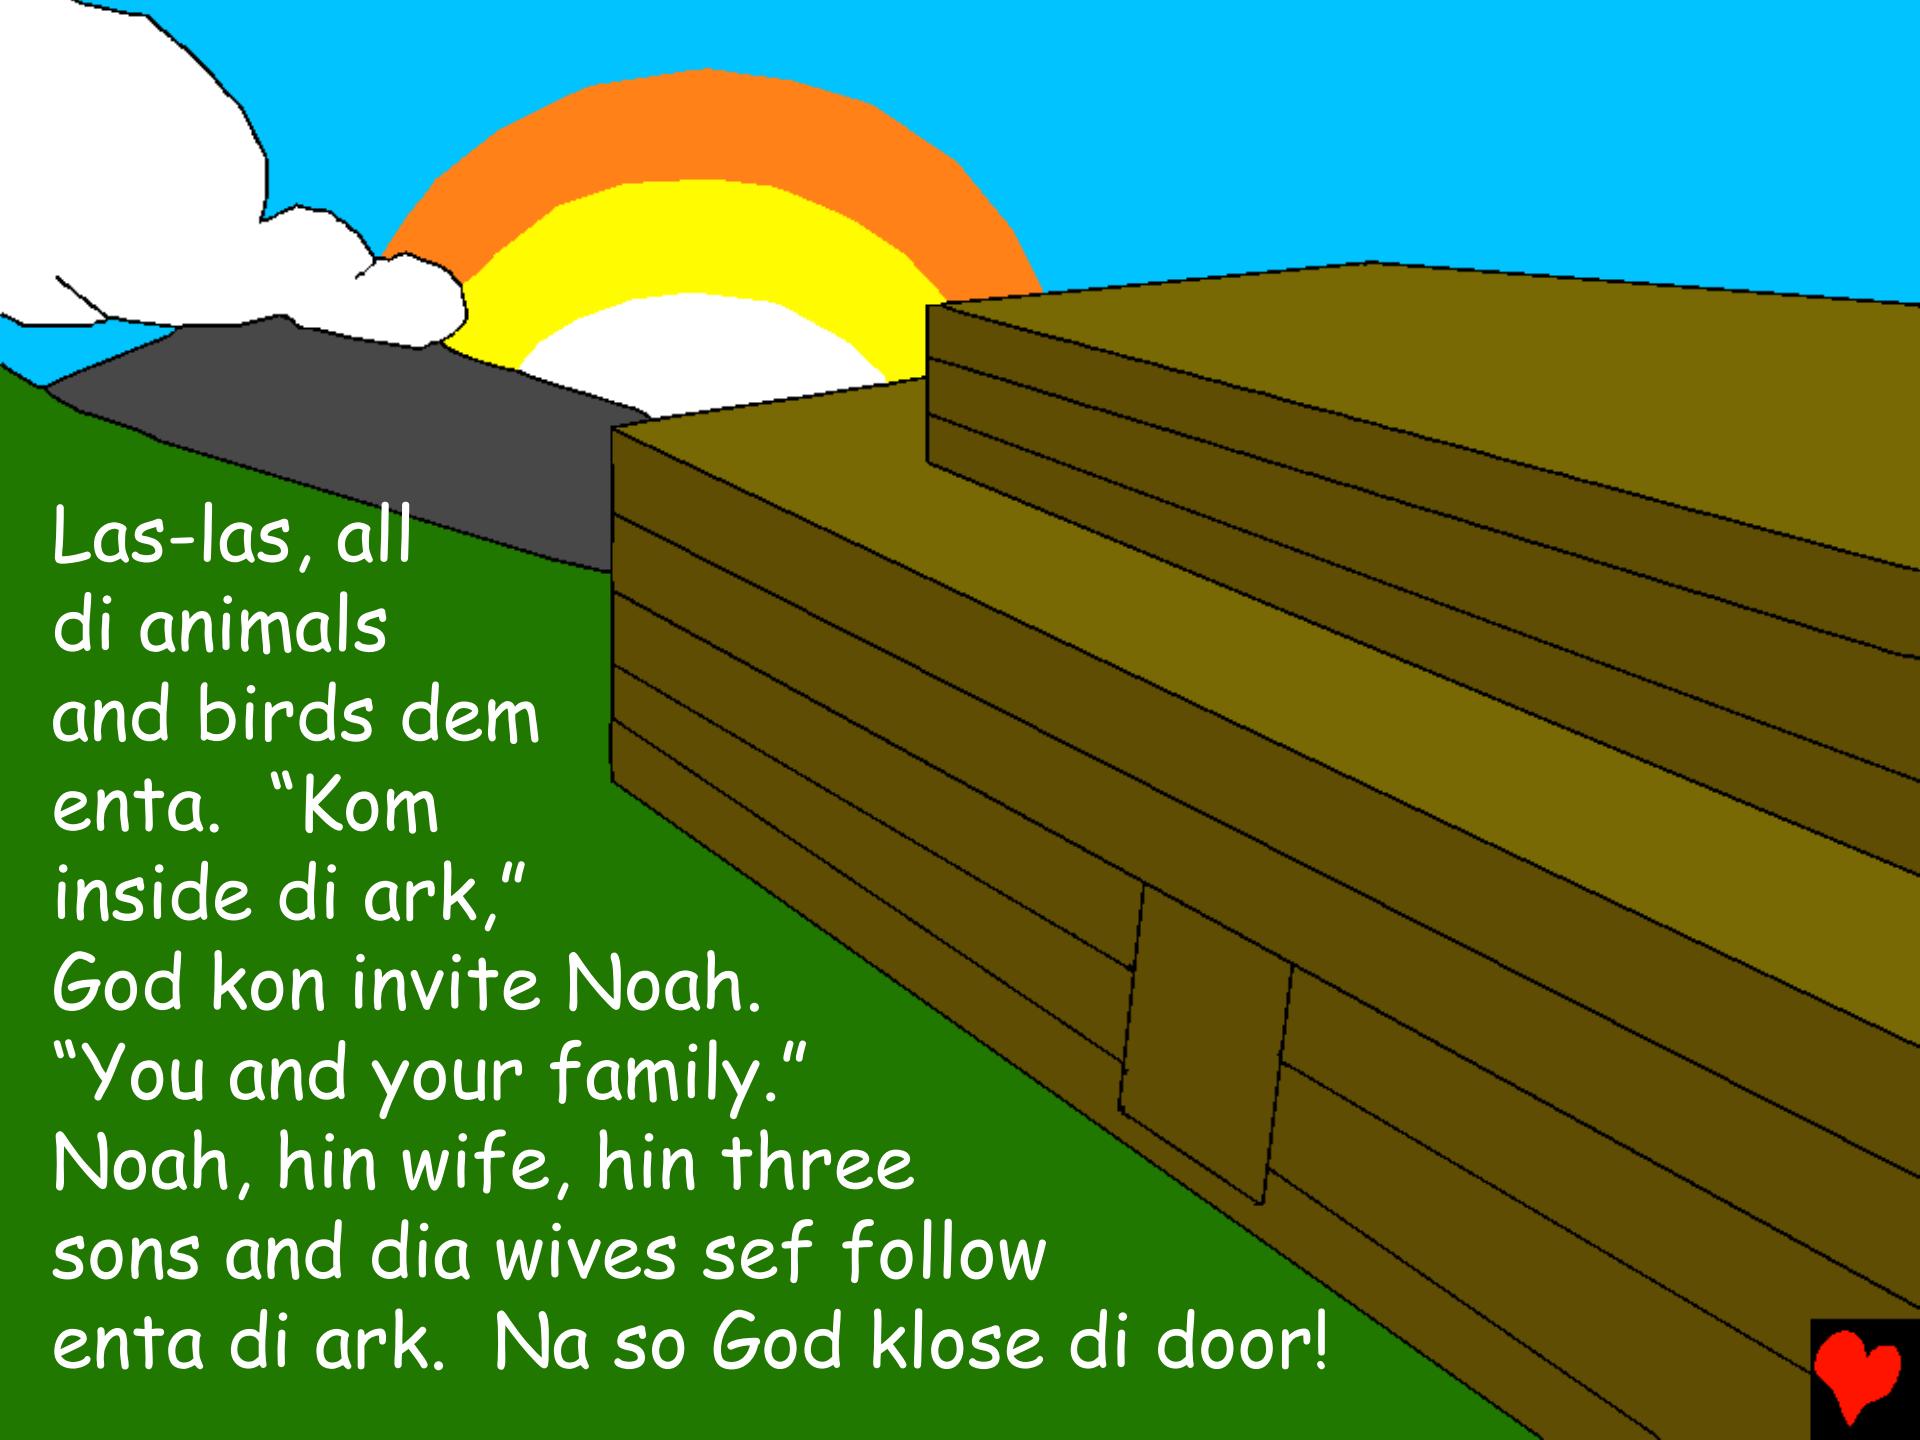

Now di animal dem kom. God bring seven of diffren-diffren animals, two of other type. Birds wey dey big and small, animals wey dey tiny and tall carri bodi enta inside di ark.

E bi like sey di pipol dey shout dey insult Noah as hin dey carri di animals dey enta. Dem nor stop dia sinning against God. Dem nor even wan enta di ark.

Las-las, all  
di animals  
and birds dem  
enta. "Kom  
inside di ark,"  
God kon invite Noah.  
"You and your family."  
Noah, hin wife, hin three  
sons and dia wives sef follow  
enta di ark. Na so God klose di door!

Na so di rain  
start. Na big  
downpour wey soak  
di eart for forty  
days and nights.

Di big wota  
pour ontop towns  
and villages dem. Wen di rain  
kon stop, even di mountains  
dey under water. Evritin wey  
get life for di eart kon die.

A colorful illustration of Noah, an elderly man with a long white beard and a blue robe, standing inside a wooden ark. He is looking towards the right. In the background, a zebra with black and white stripes is visible. Outside the ark, it is raining heavily, indicated by white diagonal lines.

As di wota rise, di ark kon  
dey float on top wota. E fit  
bi sey e dey dark for inside,  
maybe dey bumpy, and  
maybe e even dey scary.  
But di ark bi shelter for  
Noah from di flood.

After five months of di wota, God kon send drying briz. Small-small, di boat kon stay on-top one mountin wey dem dey koll Ararat. Noah stay for inside for anoda forty days as di wota dey go low.

Noah open di window wey e make for di boat kon  
send one bird go. Di dove nor si anywhere pesh  
put, bikos wota still kover di eart, so e kom  
meet Noah back for di boat.

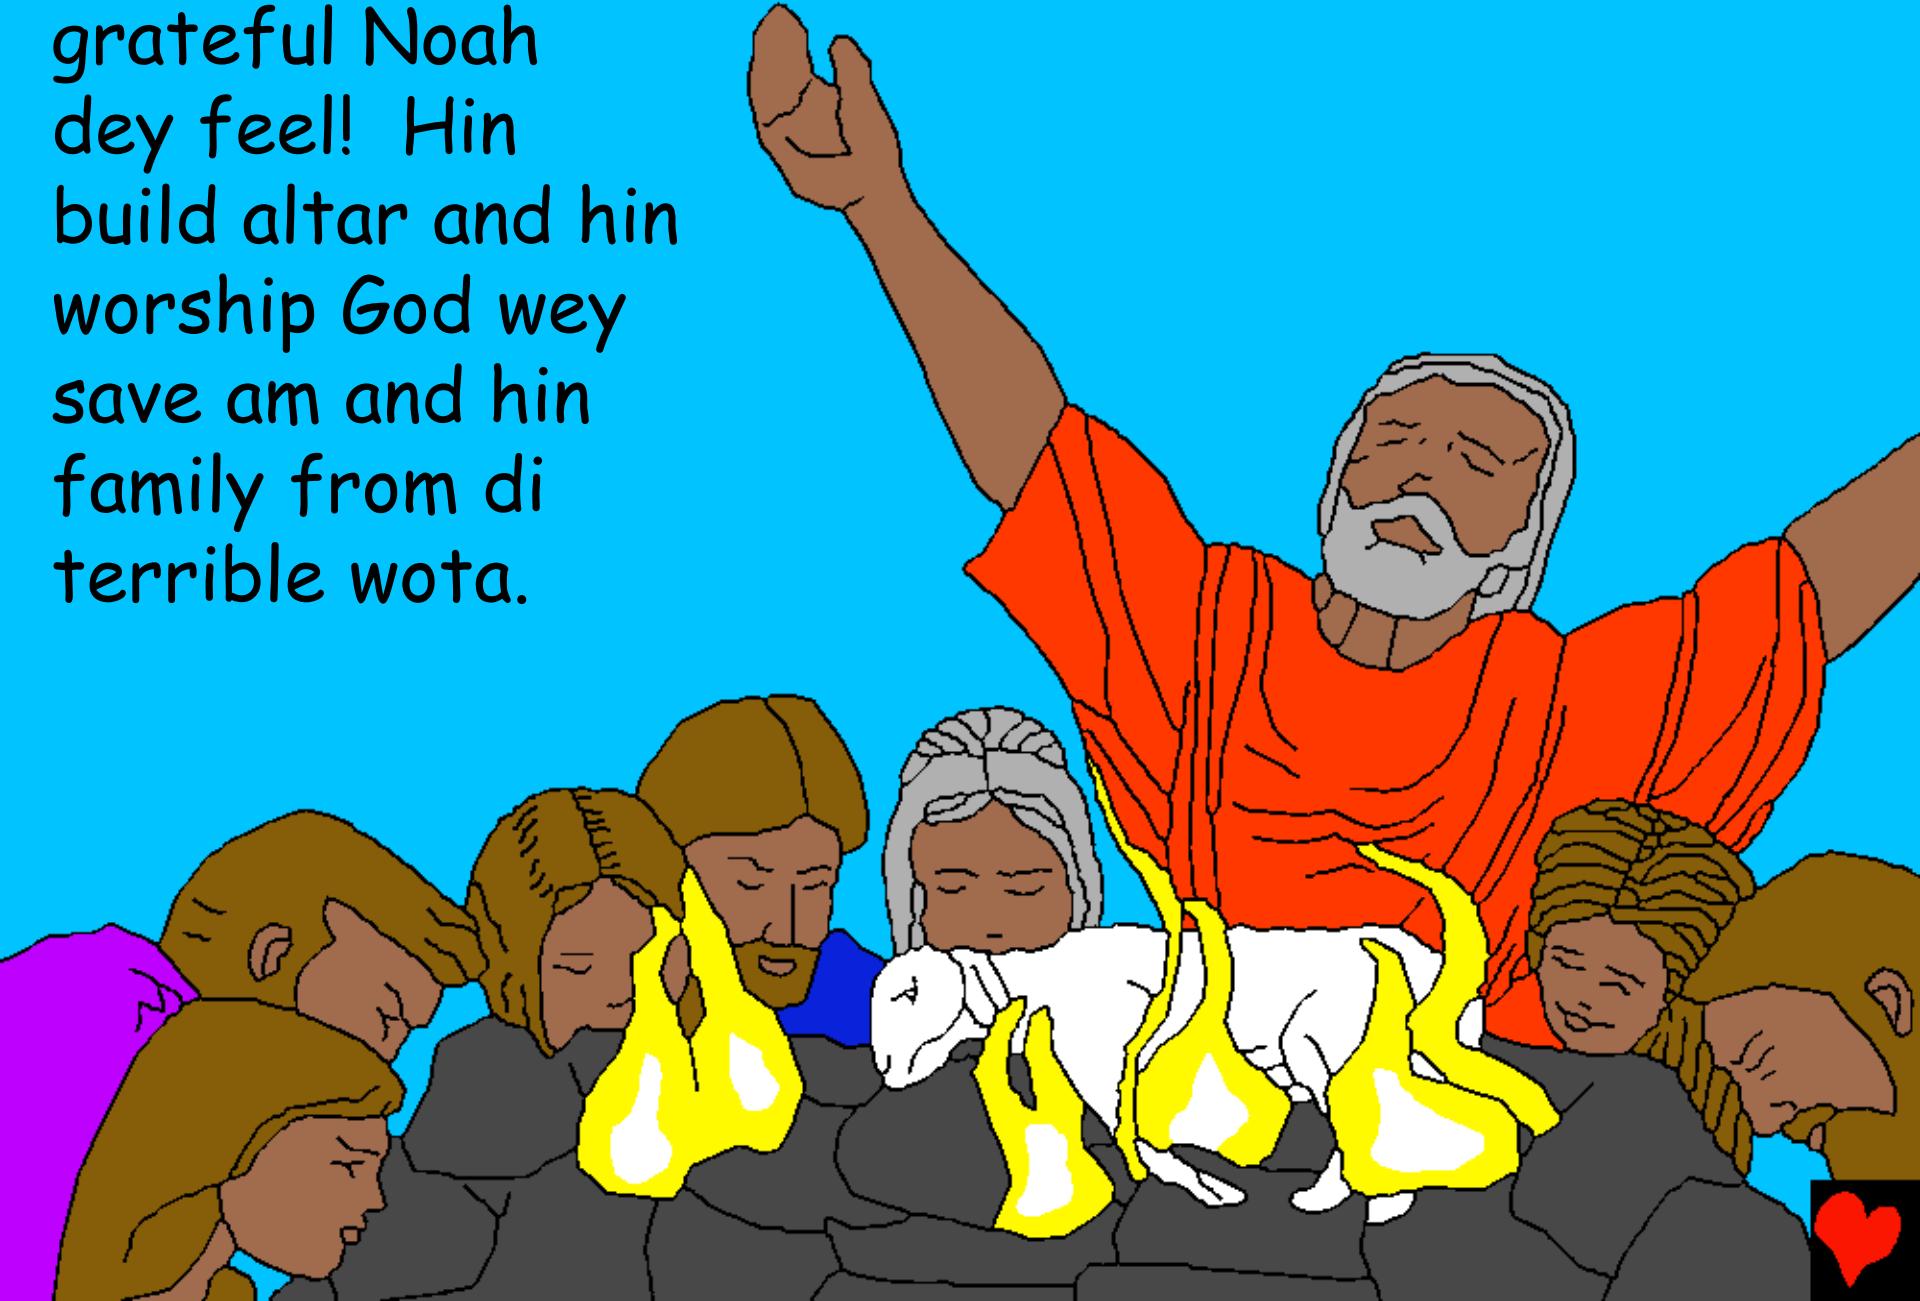

Noah wait for anoda  
seven days, den e send  
di dove go again. Wen di  
dove kom back for evening,  
betta fresh olive tree leaf  
dey en mout! Noah kon know sey  
di wota don almost dry  
finish. But dis  
time, di dove nor  
kom back.

Den God tell Noah, Make una kom out  
from di boat, both yu, yor wife, yor  
shidren and dia wife. And bring out  
di animals.

Imagin how  
grateful Noah  
dey feel! Hin  
build altar and hin  
worship God wey  
save am and hin  
family from di  
terrible wota.

God kon  
promise Noah.  
"I nor go ever  
curse di eart again,  
bikos of wetin human  
being do. I go use  
rainbow as

sign for di sky and  
e go bi sign for di  
kovenant wey I  
make with di eart."

Noah and hin  
family kom start  
new life afta di wota. As time  
dey go, hin children-children  
kon dey make pipol plenty  
for di whole world. All  
di nation of di  
world kom

from Noah  
and hin children.
